Silver Moon Show Series

- A Colonial Classic Qualifier Show –

Because the divisions of both shows don't always directly match, the table below will help to explain division specifications for both shows, with the equivalent divisions next to each other. Below are some additional points to keep in mind if you will be trying to qualify for the Colonial Classic:

- The three riders will be nominated after the August 15th show.
- Riders must be members of the Silver Moon Show Series high point program and be in good standing with the series to be given a qualifying bid.
- The top three riders must meet Colonial Classic requirements of each division in order to be nominated as a qualifier. (Example: If a rider is in the top three of Silver Moon standings but is too old to compete in that division at the Colonial Classic, the next qualified rider who meets those requirements will be selected).
